Hungarian Theocratic Kingdom
DEED OF FOUNDATION

We, the **Theocratic Kingdom of the People of the God of Hungarians,** with the blessing of God the Creator, the Mag God, hereby **FOUND** our new nation, the

Hungarian Theocratic Kingdom

We who are present have become Citizens of the Hungarian Theocratic Kingdom.

We consider Hungary, our physical homeland, as well as the whole Earth, together with all peoples and nations, to be the property of God the Creator. As Theocratic Citizens of God the Creator, we own it, care for it and protect its peace.

The king of the Hungarian Theocratic Kingdom is, first and foremost, our God the Creator, who goes by these names in the different languages: Creator, Mag, Adonai, Allah, Amon, Aton, Brahma, Ehoba, El Oham, Elohim, Geova, Iehova, Jah, Yahve, Jehova, Jehovah, Shiva, Zhekhakha and many more.

Secondly, it is our Heavenly King, Archangel Michael, who was born on Earth as Buddha, Jesus and Mohamed, who is the firstborn Son of God, and our High Priest according to the Order of Melchizedek.

Thirdly, it is our religious leader, the eldest among our Crown Princes in the bloodline of our ancestors, Adam and Eve, who was born on the Earth and was chosen by our God to rule the Earth and serve the nations of the world.

We hereby swear before our Creator God, the Archangel Michael, the Crown Prince and our fellow citizens present that we will uphold the FUNDAMENTAL LAW of the Hungarian Theocratic Kingdom, which is the Thirteen Commandments of the GOLDEN LAW, and which helps us to become God-Man.

The founding of the Hungarian Theocratic Kingdom is thus considered complete. We have signed the attendance sheet attached, by which we have sealed, consecrated and authenticated this deed.

This DEED is considered authentic and is hereby entrusted to be signed by the National President of the Theocratic Kingdom of the People of the God of Hungarians and Crown Prince of the Hungarian Theocratic Kingdom, Sándor Peresztegi.
